PROFESSIONAL SUMMARY

Project Management professional with 2+ years of experience coordinating cross-functional teams and end-to-end delivery across software, operations, and process-improvement initiatives. Currently manages a portfolio of 7 projects (4 concurrently) with teams ranging from 1 to 16 resources, having delivered 3 projects to completion while establishing structured daily, weekly, and monthly reporting cadences for senior stakeholders. Skilled in Agile-aligned coordination using Jira, Azure DevOps, Trello, and Google Workspace, with hands-on technical grounding in Flutter and Dart application development. Seeking to grow into a Project Manager role driving efficient, high-quality delivery.

CORE COMPETENCIES

Project Coordination | Portfolio Management | Agile & Scrum Practices | Stakeholder Management | Client Communication | Requirement Gathering | Resource Planning | Risk Identification & Issue Tracking | Sprint Planning | Status Reporting | Timeline Management | Cross-Functional Collaboration | Vendor Coordination | Team Leadership | Process Improvement | Documentation

TECHNICAL SKILLS

Project & Collaboration Tools: Jira, Azure DevOps, Trello, Google Workspace, MS Office (Excel, Word, PowerPoint), Google Sheets

Application Development: Flutter, Dart, REST API Integration, Google Maps API, State Management (Provider, GetX, Riverpod), Firebase, Shared Preferences, VS Code, Android Studio

PROFESSIONAL EXPERIENCE

Junior Project Manager (Project Coordinator)

October 2025 – Present

Dreams Technologies | Coimbatore, India

- Coordinate a portfolio of 7 projects, managing 4 concurrently across cross-functional teams ranging from 1 to 16 resources, including Tony (Aseda), Global Connect Kannaku, Best & Service (B&S), Trulyselly, UCC (Urgent Care Colombia), Doccure, PaguiShop, and FinancaPlus.
- Successfully delivered 3 projects to completion, coordinating requirement gathering, sprint planning, and stakeholder communication across each project lifecycle.
- Designed and implemented a structured reporting cadence — alternate-day status updates, weekly summaries, and monthly reviews — improving visibility for senior stakeholders and leadership.
- Track project risks and blockers, escalate issues, and maintain documentation to keep delivery timelines on schedule.
- Coordinate with clients and cross-functional teams using Jira, Azure DevOps, Trello, and Google Workspace to manage tasks, sprints, and reporting.
- Support senior project management with sprint and task planning and status reporting across multiple concurrent workstreams.

Branch Operations Manager

March 2025 – October 2025

VFurnish | Coimbatore, India

- Directed daily task allocation and scheduling for a combined workforce of 14 to 21 personnel, including 8–11 on-site (field visit) staff and 6–10 off-site staff.
- Reported work status and progress to senior leadership on a regular basis, maintaining visibility into risks and delivery timelines.
- Monitored task completion across multiple concurrent work streams to ensure on-time delivery.
- Managed day-to-day branch operations, administrative functions, and recordkeeping.

Process Associate

December 2022 – May 2024 (1 year 5 months)

I-Cons Technologies

- Extracted and reformatted 20–60 documents weekly across PDF, Excel, Word, and PowerPoint within a 55+ person team, maintaining accuracy and consistency.
- Conducted web research and image annotation projects, applying AI tools and Google extensions to improve speed and accuracy.
- Built and maintained Excel formulas and Google Sheets workflows to support data analysis and reporting.
- Coordinated project communication within the team, streamlining processes and accelerating turnaround time.
- Supported the Project Manager with client-facing communication and cross-team coordination.
- Consistently delivered projects on time while maintaining high quality standards.

EDUCATION, CERTIFICATIONS & LANGUAGES

Bachelor of Science in Computer Science, Kathir College of Arts and Science
